- Discussing out of compliance check list. Website will be updated within the week, on the website the Csip will be added along with minutes, members and their positions. We have added member contact information.
- At our next meetings we will discuss Csip goals and how to achieve those goals.
  - Two goals are:
    - Writing scores on the Milestones to increase 3%-4% of students to levels 3 and 4.
    - Math scores on the Milestones to increase 3%-6% for “Bubble Students”
- To achieve goals, there will be monthly professional development and walkthroughs.
- Next meeting members will discuss activities and tools Oak Grove can use to achieve Csip goals.

Already discussed- “Publix Math Night” students will go to our local publix and complete grade appropriate real-world math problems. This gets the community involved as well as challenging students. Ms. Brown will contact Toco Hill Publix to set up event.

- **Our next two meeting dates will be: 2/11/2020 and 3/24/2020**
