

## **PAC Meeting notes for Feb. 11, 2020**

Meeting began at 7:50 a.m.

Minutes from Jan. 21, 2020 were approved unanimously

Members present: Port Wilson, Elizabeth Stallings, Robyn Brown, Angela Wells, Lynda Mauborgne

Mrs. Mauborgne gave an attendance report. OGE reported one day of 10% absenteeism in late Jan. Several students have had the flu, strep, and head lice. In spite of the flu season, OGE's attendance is still very good. We are well under the threshold of 15% missing 15 days or more which would impact our CCRPI score.

Discussion regarding a flyer advertising OGE was also discussed.

Port has been in contact with Angie Claussen regarding a parent panel for our cluster

Mrs. Mauborgne reported 100% online participation for the GAM (IEP accommodations included) and the new GAA was so successful last year the same format will be used moving forward.

Staff members are actively tutoring select students to ensure comprehension/mastery of content/skills prior to testing.

We are working on our CSIP plan. Math and writing continue to be the focus based on the winter MAP.

The master schedule is being created now by Ms. Kennedy. Mrs. Mauborgne has already scheduled interviews for known openings and expects to have positions filled before spring break. The allotment meeting is next week and at that time schools will receive staffing allotment information.

Meeting adjourned at 8:40
