Attendance/Staffing Updates

Current enrollment 368, attendance for staff & students remains above 94%. We're fully staffed (teachers) but are needing to hire three special ed paras.

CSIP – Alignment to DCSD vision for DCSD Graduates

Discussed the 3% goal for both math & reading goals, in addition to the growth seen from Mrs. Welch (Literacy Coach K – 2) and Mrs. Brooks (EIP 3rd-5th) and pending MAP results for fall to winter growth.

OGE Marketing Updates

Open to suggestions for OGE. What should be our community focus to attract students/parents to OGE rather than private and keep them through middle school? We have been placed on a list to be considered for any pilots which may benefit OGE.

CMP/Facilities Updates

The new roof has begun! No ETA for end as it's weather dependent.
